**SUMMARY:** Makes several highway, bridge and building designations. The Edward W. Helfrick Resource Management Center designation would take effect immediately with the remainder of the designations taking effect in 60 days.

**ANALYSIS:** This legislation makes the following highway, bridge and building designations:

- A bridge on a portion of Garrett Road, over the Darby Creek in Upper Darby Township, in Delaware County as the Honorable Nicholas A. Micozzie Bridge.
- The section of PA Route 849 in Newport, Perry County as the United States Navy Petty Officer 1st Class A. Louis De Lancey Memorial Highway.
- The Department of Conservation and Natural Resources' Resource Management Center in Columbia County as the Edward W. Helfrick Resource Management Center .
- The 700 to 800 block of US Route 13 in Prospect Park Borough, Delaware County as the Officers Luke Arlington Conner and J. Horace Callaghan Memorial Highway.

PennDOT shall be responsible for erecting and maintaining appropriate signs displaying the highway/bridge designations to traffic in both directions.

The Department of General Services (DGS) shall erect and the Department of Conservation and Natural Resources shall maintain appropriate signage to designate the Edward W. Helfrick Resource Management Center.

**FISCAL IMPACT:** According to PennDOT, installation of 2 signs, 1 in each direction, dedicating a bridge or highway costs \$500. The total cost of those three designations is \$1,500 which can be absorbed in currently allocated funds.

It is presumed that the cost of the DGS signage would be similar to the PennDOT signage; therefore an estimate of \$250 is utilized for just 1 sign. That cost can be absorbed within currently allocated funds.
