SUMMARY:

House Bill 982 amends the Public School Code concerning payment of salaries in cases of sickness, injury, or death. It would take effect immediately.

ANALYSIS:

This legislation would add grandchild to the list of near relatives for which a professional school employee must be granted paid bereavement leave.

FISCAL IMPACT:

Enactment of this legislation will have no adverse impact on Commonwealth funds. It may have a minimal impact on school districts to the extent they must hire substitutes to cover for teachers taking this bereavement leave.
