SUMMARY:

House Bill 1945, printer's number 2783, amends the act of April 9, 1929, (P.L. 177, No. 175), known as The Administrative Code of 1929, to further provide for submission of budget to the General Assembly.

The effective date is 60 days after enactment.

ANALYSIS:

The bill amends Section 613 of The Administrative Code by adding a subsection to require that for any request for an additional appropriation from State funds for a fiscal year prior to the fiscal year for which the Governor's annual budget proposal is being submitted (i.e. a supplemental appropriation), a statement of the need for the additional appropriation and recommendations for cost savings or other reforms which address the cause of the need for the additional appropriation must be submitted. For a request for an additional appropriation from State funds made after the Governor's budget submission to the General Assembly for a fiscal year prior to the next succeeding fiscal year, the request shall include a statement of the need for the additional appropriation and recommendations for cost savings or other reforms which address the cause of the need for the additional appropriation.

FISCAL IMPACT:

The enactment of this legislation will have no adverse impact on Commonwealth funds.
