SUMMARY: House Bill 2034, Printer's Number 3171, amends the Agricultural Liming Materials Act to include the chemical element molybdenum (Mo) in the labeling requirements for agricultural liming materials.

ANALYSIS: This bill amends the Agricultural Liming Materials Act (Act 9 of 1978) to include the chemical element molybdenum (Mo) in the labeling requirements for agricultural liming materials that are sold, offered or exposed for sale in the Commonwealth. The bill also authorizes the Secretary of Agriculture to require, by regulation, the maximum percentage of molybdenum to be expressed in the form provided for in the act.

This legislation would take effect in 60 days upon enactment.

FISCAL IMPACT: Enactment of this bill will have no fiscal impact on Commonwealth funds.
