RE: Fiscal Note  
HB 1348 PN 2013  
Amendment #A04264

Dear Representative Ecker:

The amendment makes editorial and technical changes, strikes out existing language and inserts additional language stating that the provider shall not be immune from civil liability if “performs an act in a grossly negligent manner and causes injury or damages to a participant” or “recklessly fails to warn or guard against a dangerous condition that causes injury or damages to a participant.”

Adoption of this amendment will have no impact on Commonwealth funds.

Sincerely,

A handwritten signature in black ink that reads "Stanley E. Saylor".
