SUMMARY: House Bill 1348, Printer's Number 1442, amends the act of April 9, 1929 (P.L. 343, No. 176) known as the Fiscal Code, regarding the transfer of federal funds in the Department of Human Services. This legislation is effective July 1, 2021 or immediately, whichever is later.

ANALYSIS: This legislation allows the Department of Human Services (DHS) upon approval of the Secretary of the Budget, and in accordance with federal law, to transfer federal funds from the Temporary Assistance for Needy Families Block Grant to the Child Care and Development Fund Block Grant and the Social Services Block Grant if the transfer will not result in a deficit. The Secretary must provide notice to the chairperson and minority chairperson of Appropriation Committees of both the House of Representatives and the Senate ten days prior to a transfer.

FISCAL IMPACT: Enactment of this legislation will have no adverse fiscal impact on Commonwealth funds. This language is included annually in the General Appropriations Act and is being moved to the Fiscal Code.
