

HOUSE COMMITTEE ON APPROPRIATIONS

FISCAL NOTE

HOUSE BILL NO. 797

PRINTER'S NO. 757

PRIME SPONSOR: B. Miller

COST / (SAVINGS)

FUND	FY 2022/23	FY 2023/24
Motor License Fund	\$0	\$0

SUMMARY: HB 797 PN 757 requires PennDOT to plant vegetation native to Pennsylvania along state routes. This legislation would take effect immediately.

ANALYSIS: The bill requires that PennDOT only plant along state routes vegetation identified as being native to Pennsylvania that will thrive in the plant hardiness zone and under the environmental conditions of the highway right-of-way.

PennDOT may authorize the use of nonnative vegetation where the use of native vegetation is not feasible, provided that the nonnative vegetation is not:

1. A federally listed invasive plant identified by the United States Department of Agriculture National Invasive Species Information Center; or
2. A noxious weed or controlled plant, unless planted and cultivated pursuant to Chapter 15 (related to controlled plants and noxious weeds) of Title 3 (Agriculture)

FISCAL IMPACT: This legislation would have no adverse fiscal impact on Commonwealth funds.
