SUMMARY:

Establishes the Safe Communities Grant Program within the Pennsylvania Commission on Crime and Delinquency.

ANALYSIS:

House Bill 1130, Printer's Number 1741 establishes the Safe Communities Grant Program as a competitive grant program within the Pennsylvania Commission on Crime and Delinquency (PCCD). The purpose of the program is to improve public health and safety by funding the installation and maintenance of lighting or security cameras in and around high crime areas. The grant program will be funded through annual appropriations from the General Assembly.

This legislation would take effect in 60 days upon enactment.

FISCAL IMPACT:

Funding for the Safe Communities Grant Program is provided through annual appropriations from the General Assembly into the Safe Communities Grant Program Fund. The fiscal impact of the program would be determined by the amount appropriated.

The Pennsylvania Commission on Crime and Delinquency (PCCD) estimates that they will be able to absorb the administrative aspects of the grant program within their current complement.
