DESCRIPTION AND PURPOSE OF BILL

Senate Bills 1036 through 1040 are the non-preferred appropriation bills for fiscal year 2009-10. They provide Commonwealth funding to the four state-related universities (The University of Pittsburgh, Temple University, Lincoln University and Pennsylvania State University) and The University of Pennsylvania for veterinary activities.

The bills also appropriate Federal ARRA State Fiscal Stabilization Funds to the four state-related universities in fiscal years 2008-2009 and 2009-2010 to ensure they are funded at the fiscal year 2007-08 level in those years when considering both State and Federal ARRA State Fiscal Stabilization Funds.

The Federal ARRA State Fiscal Stabilization Fund requires public institutions of higher education be funded at the greater of the fiscal year 2007-2008 or 2008-2009 level in fiscal years 2008-2009, 2009-2010 and 2010-2011. Due to the Governor's budgetary freeze in fiscal year 2008-2009, the fiscal year 2007-2008 funding level is the greater than fiscal year 2008-2009 funding level.
