

SENATE APPROPRIATIONS COMMITTEE

FISCAL NOTE

In 1993, the OSBA was assigned additional responsibilities involving the administration of Pennsylvania's workers' compensation system. The costs incurred by the OSBA in discharging those duties are paid from assessments made by the Insurance Department against the insurance companies that write workers' compensation insurance policies in Pennsylvania.

House Bill 1276 reflects the Governor's recommended FY 2013-14 budget of \$1,092,000 for the OSBA, which is level-funded compared with the FY 2012-13 appropriation in the same amount.

This act shall take effect July 1, 2013, or immediately, whichever is later.
