DESCRIPTION AND PURPOSE OF BILL

Senate Bill 1383 is the Highway-Railroad and Highway Bridge Capital Budget Supplemental Act for 2014-2015. This legislation provides for the adoption of capital projects related to the repair, rehabilitation, or replacement of highway bridges to be financed from current revenue or by the incurring of debt and capital projects related to highway and safety improvement projects to be financed from current revenue of the Motor License Fund," itemizing additional State and local bridge projects.

FISCAL IMPACT:

- **State Projects:** The authorization for capital projects in the category of highway bridge projects and forestry and State park bridge projects to be constructed by the Department of Transportation or the Department of Conservation and Natural Resources, and to be financed by the incurring of debt or from current revenues from the Motor License Fund itemized under the category of state bridges shall be \$4,614,686,000.
- **Non-State Projects:** The authorization for non-state highway bridge projects to be constructed by municipalities and to be financed in part with grants not exceeding 80% of the non-Federal share of the costs made to the local government municipalities by the Department of Transportation from current revenues in the Motor License Fund itemized under the category of local bridges, shall be \$998,260,000.

Total Projects: The total authorization for the costs of all projects itemized within this legislation and to be financed from current revenues or by the incurring of debt shall be \$5,612,946,000.
