DESCRIPTION AND PURPOSE OF BILL

House Bill 577 amends Act 405 of 1945, which created the Interstate Commission on the Potomac River Basin (Commission), to provide for a member of the Commission to have a designee with voting rights.

The Commission works jointly with commissions from West Virginia, Maryland, Virginia, and the District of Columbia to cooperate in the control and abatement of pollution of the water of the drainage basin of the Potomac River.

The bill would allow a member of the General Assembly appointed to the Commission to have a designee attend meetings on behalf of the member.

This legislation shall take effect in 60 days.

Enactment of this legislation will have no fiscal impact on Commonwealth funds.
