DESCRIPTION

House Bill 511 amends the Second Class Township Code to change the process by which second class townships may enter into an intergovernmental cooperation agreement.

This legislation will remove the requirement that a second class township must pass an ordinance to enter into an intergovernmental cooperation agreement.

FISCAL IMPACT:

House Bill 511 will have no fiscal impact on Commonwealth funds. Second class townships choosing to enter into an intergovernmental cooperation agreement may see a reduction in legal and advertising costs normally associated with the passage of an ordinance, which will no longer be required.
