DESCRIPTION

Senate Bill 916 amends Title 75 (Vehicles) to direct the Department of Transportation, in consultation with the Pennsylvania Game Commission and the Pennsylvania Fish and Boat Commission, to design a Pennsylvania Sportsman special registration plate for passenger vehicles.

The Pennsylvania Sportsman registration plate will cost \$40, of which \$14 will be deposited into the Youth Hunting and Fishing Restricted Account established by this legislation. Money in the Youth Hunting and Fishing Restricted Account will be allocated evenly to the Pennsylvania Game Commission and the Pennsylvania Fish and Boat Commission for the purpose of promoting youth hunting and fishing activities.

This legislation is scheduled to take effect immediately.

FISCAL IMPACT:

According to the Department of Transportation, enactment of this legislation will cost a total of \$15,000, including \$14,500 for system changes and \$500 for the special registration plate design. The department indicates these costs are capable of being accommodated within the agency's current workload and budget.

The amount of revenue generated for the Youth Hunting and Fishing Restricted Account will be dependent on the number of special registration plates issued.
