Subject: Co-sponsorship – Prescription Drugs, Prohibit sellers from accepting prescription order from unknown person (#11)

I will be re-introducing legislation, SB549, specifically targeting the growing problem of prescription drug diversion.

This legislation prohibits an authorized seller or distributor of a Schedule II drug from accepting a prescription order from a person not personally known to him unless he obtains a printed name, signature and address of the person who submits the prescription order.

If you are interested in co-sponsoring this bill, please contact Sean Moll by email at [smoll@pasen.gov](mailto:smoll@pasen.gov) or by phone at 783-0192.
