RE: Co-sponsorship – Solar Energy System (#21)

I will be re-introducing legislation, SB585, that will provide a sales and use tax exemption for the purchase or use of a solar energy system. For the purposes of this legislation, a “solar energy system” means the equipment and hardware that utilize solar energy for water heating, space heating, cooling or other applications.

If you are interested in co-sponsoring this legislation, please contact Sean Moll by e-mail at smoll@pasen.gov or call 783-0192. Thank you.
