RE: Co-sponsorship - Local Gaming Referendum (#30)

I will be re-introducing legislation, SB727, to further address local control over gaming. This legislation goes beyond the language in current statute by requiring that a local referendum be placed on the ballot before a license can be approved by the board. The referendum question must state that a facility is proposed for the electors' municipality and that the board may only issue a license if a majority of the electors voting on the question approve.

If you wish to co-sponsor this legislation, please contact Cecilia Boyer at [cboyer@pasen.gov](mailto:cboyer@pasen.gov) or call 787-1398.
