RE: Co-sponsorship – Delaware River Port Authority Grants (#40)

I will be re-introducing legislation, SB768, to prohibit the Delaware River Port Authority from making expenditures for 'economic development' projects that are unrelated to the actual maintenance or operations of the four Delaware River bridges. Originally the Authority was established to fund the operations and maintenance of the bridges. However, while bridge tolls increase and complaints about poor maintenance continue to rise, the Authority spends money on projects unrelated to the bridges.

If you wish to co-sponsor this legislation, please contact Cecilia Boyer at [cboyer@pasen.gov](mailto:cboyer@pasen.gov) or call 787-1398.
