RE: Co-sponsorship – Growth Supplement to School Districts (#48)

I will be re-introducing legislation, SB1496, that will amend the public school code and provide for a growth supplement to school districts for the 2011 - 2012 school year. In many districts throughout the Commonwealth, high growth has put a strain on school districts. This legislation will provide qualifying school districts with supplemental revenue to account for this growth.

In order to qualify for the growth supplement, a school district's 2011-12 average daily membership must be greater than its' 2010-2011 average daily membership by three hundred fifty members.

If you wish to co-sponsor this legislation, please contact Cecilia Boyer at cboyer@pasen.gov or call 787-1398.
