MEMORANDUM

TO: All House Members

FROM: Representative Kerry Benninghoff
171st Legislative District

SUBJECT: Energy efficient doors and windows (former HB 2655)

DATE: December 28, 2010

In the near future, I will be re-introducing HB 2655 which will allow a property owner to install energy-efficient doors and/or windows on a building.

This legislation would prohibit a local public agency from denying installation of energy-efficient doors and/or windows in historic districts. However, they may require that said doors and/or windows meet size and shape design requirements for properties in historic districts.

If you would like to cosponsor this legislation, please contact Amy Noel anoel@pahousegop.com or 717-783-1918.

Thank you!

Former HB 2655 cosponsors: BELFANTI, CAUSER, CUTLER, DAY, GINGRICH, KOTIK, MARKOSEK, MILLER, MURT, MUSTIO, O'NEILL, PRESTON, RAPP, READSHAW, REESE, SONNEY, SWANGER and YOUNGBLOOD
