SUBJECT: Cost Cutting Legislation – PA Code and Bulletin

In the near future I plan on reintroducing Senate Bill 1477 from last session. This bill stemmed from the findings of the Senate Government Management and Cost Study Commission which concluded that the Commonwealth could save approximately \$1 million by allowing the Pennsylvania Code and Bulletin to be posted on-line.

This legislation will allow the Legislative Reference Bureau to “publish” the Code and Bulletin instead of “printing” it. This will provide the necessary flexibility to LRB as they make the transition from an entirely printed document to one that will be much easier to produce and circulate around that state in an electronic format.

If you would like to co-sponsor this legislation please contact BJ Sieg at bsieg@pasen.gov or 7-2637.
