SUBJECT: Amendments to the "Recreational Use of Land and Water Act"

In the near future I will be re-introducing Senate Bill 1389, legislation that will amend the "Recreational Use of Land and Water Act" (Act of Feb. 2, 1965, P.L. 1860, No. 586 Cl. 68) in order to expressly extend its protection to people who allow the construction of Nature Trails on their properties.

This legislation is important to ensure that we can continue to improve our communities through the construction of nature trails.

If you would like to co-sponsor this legislation please contact BJ Sieg in my office at bsieg@pasen.gov or 7-2637.
