RE: Legislation on Budget Impasse

It is important that we take steps to prevent a budget impasse. I am proposing that should no budget pass by June 30, the current year's budget would "roll over" into the next budget year, subject to an across the board reduction reflecting the percentage of deficit facing the Commonwealth. This would be a temporary budget until such time as a new budget is signed into law.

This proposal will be easy to implement, keep basic government services flowing and eliminate the Governor's ability to hold the public and the General Assembly hostage to unreasonable budgetary and taxation demands.

If you are interested in cosponsoring this legislation, please contact my office by calling 783-2520 or e-mail Heather Epler at hepler@pahousegop.com.
