MEMORANDUM

TO: All House Members

FROM: Rep. Dan Moul

DATE: January 6, 2011

SUBJECT: **Co-sponsorship of Legislation
Specialty Fund License Plate – Former HB 500**

In the near future I will be reintroducing legislation that seeks to amend Title 75 (Vehicles) of the Pennsylvania Consolidated Statutes to provide for an education license plate and for a technology in education fund.

Under the proposed legislation, motorists will be able to purchase the education license plate for a one-time fee of \$30.00 with a re-occurring annual fee of \$10.00. Monies generated from the sale of these plates would then be deposited into the technology in education fund to be awarded, on a competitive grant basis, to public school districts throughout the Commonwealth for the purpose of purchasing computers and computer technology.

If you would like to cosponsor this legislation, please contact Suzette Beemer (sbeemer@pahousegop.com).
