To: All Senators

From: Senator Robert M. Tomlinson

Re: Co-Sponsorship Memo #24 – Technology Grants to Benefit Nonpublic and Private Schools

I will be reintroducing legislation that would permit a specific share of funding for nonpublic schools for educational technology hardware, software and infrastructure improvements.

This bill would require that the Secretary of Education allocate to each intermediate unit an amount equal to thirty-five dollars (\$35) for each student enrolled in a nonpublic school located within that intermediate unit, to be used to provide improvements in education-related technology.

The information below indicates the prior session's bill number and cosponsors.

SB 254 Senators TOMLINSON , GREENLEAF , WONDERLING , PICCOLA , PIPPY , EICHELBERGER , ERICKSON , BROWNE , RAFFERTY , BAKER , FONTANA , O'PAKE , BOSCOLA and COSTA.

If you are interested in co-sponsoring this piece of legislation, please contact Mary Walmer of my office at 787-5072 or [mwalmer@pasen.gov](mailto:mwalmer@pasen.gov).
