SUBJECT: Proposed Legislation – Chemical Testing (Former HB 609)

In the near future, I plan to re-introduce legislation amending Title 75 of the PA Consolidated Statutes – the Vehicle Code.

Specifically, this legislation would provide that any person who is operating a vehicle and who is involved in an accident where a death has occurred would be required to submit to drug and alcohol testing.

If you would like to co-sponsor this legislation, please contact Elana Maynard at 705-2004 or via email at emaynard@pahousegop.com.

Thank you.
