MEMORANDUM

SUBJECT: Introduction of Legislation –
Megan’s Law Website

TO: All House Members

FROM: Representative Ron Marsico

The Pennsylvania State Police are required to maintain a website to provide the public the names, addresses, photographs, and other information about sexually violent predators and sexual offenders who are required to register under Megan’s Law.

The Pennsylvania State Police would like to add a new feature to the website, one which will greatly help parents keep their children safe. The new feature will allow a person to receive electronic notification when an individual required to register under Megan’s Law moves into or away from a user-designated area.

According to the Pennsylvania State Police, statutory authority is necessary to launch this feature.

The bill I will introduce will authorize the state police to offer provide this service to the general public.

If you would like to co-sponsor this bill, please contact Anna or Michelle at 783-2014 or via e-mail at mmoore@pahousegop.com. Thank you.
