SUBJECT: Proposed Legislation – Private Residential Rehabilitative Institutions  
(former HB 1878)

---

In the very near future, I plan to reintroduce legislation to afford Private Residential Rehabilitative Institutions and their staffs the same protections afforded to other educational institutions under Title 18, the Crimes Code.

Specifically, Section 2702 (relating to Aggravated Assault) and Section 3503 (relating to Criminal Trespass) of the Crimes Code call for enhanced protections and/or penalties when crimes are committed at “any elementary or secondary publicly-funded educational institution, any elementary or secondary private school licensed by the Department of Education or any elementary or secondary parochial school.” My legislation would add Private Residential Rehabilitative Institutions to the lists so they would have parity with other educational settings in regards to protections under the Crimes Code.

Please contact Alison in my office at 772-0855 or [ahagler@pahousegop.com](mailto:ahagler@pahousegop.com), if you would like to cosponsor this legislation.
