SUBJECT: Assistance Recipient Identification Program (Former HB 815)

In the near future, I plan to introduce legislation amending the Public Welfare Code.

Specifically, this legislation would require that a person who is currently receiving or applying for assistance will participate in the Assistance Recipient Identification Program. The person would be identified using available technological means that would include placing a photograph on each electronic benefits transfer card.

If you would like to co-sponsor this legislation, please contact Elana Maynard at 705-2004 or via email at emaynard@pahousegop.com.

Thank you.
