MEMORANDUM

To: Members of the House of Representatives

From: Representative Gary Haluska

Date: January 20, 2011

SUBJECT: Re-Introduction of Legislation – Amend Section 2308 of Title 34 (Game and Wildlife Code) to Specifically Allow the Use of Corn as Bait (Former HB 261)

=====

In the near future, I intend to re-introduce legislation that would amend Section 2308 of Title 34 (Game and Wildlife Code) to specifically allow the use of corn as bait when hunting game or wildlife in the state. It is my understanding that a vast majority of sportsmen's clubs in Pennsylvania support this practice and it is my intention to ensure this option remains available to them.

If you would like to co-sponsor this legislation, please contact Marilyn at mjuran@pahouse.net.
