RE: Introduction of Legislation—Reduced Fee Hunting License for Military Personnel

DATE: January 26, 2011

In the near future, I plan on introducing legislation amending Title 34 (Game) of the Pennsylvania Consolidated Statutes, further providing for a reduced-fee hunting license for military personnel by all licensed vendors.

Currently, military personnel are required to purchase their licenses from either the Pennsylvania Game Commission or from a county treasurer. This limitation has posed obstacles for those military personnel who arrive home on a weekend in that county treasurers' offices are not open for business on weekends.

Consequently, this legislation would allow all licensed vendors to sell the \$1 general hunting license, therefore accommodating members of the military who are on leave or who are returning home after deployment.

If you are interested in joining me as a co-sponsor of this legislation, please contact Kelley Thomas at kathomas@pasen.gov or by phone at 705-0727 no later than February 2, 2011.
