MEMORANDUM

TO: All House Members

FROM: Representative Stephen E. Barrar 

SUBJECT: Honoring Schramm, Inc.

DATE: January 25, 2011

I will be introducing a resolution honoring Schramm, Inc., a Pennsylvania based drilling manufacturer, for their assistance in the rescue of 33 Chilean miners who were entombed half a mile beneath the Chilean desert. It was the company's T-130XD drill rig that drilled the rescue shaft that was used to free the miners who had been trapped for 69 days. Another rig drilled the initial hole used to communicate and provide food to the miners while the rescue was under way.

I hope you will join with me to honor the Pennsylvania business which brought international attention to technology, resourcefulness and assistance Pennsylvanians have to offer.

If you would like to co-sponsor this resolution, contact Gina Buffington at 783-3038, or via Groupwise at gbuffering@pahousegop.com.
