

House of Representatives
Commonwealth of Pennsylvania

TO: All House Members
DATE: January 24, 2011
FROM: Representative Mario Scavello
SUBJECT: Amendment to PA Municipalities Planning Code (Former HB 1754)

I plan to introduce legislation to amend the "Pennsylvania Municipalities Planning Code" regarding notice to school districts on proposed residential developments. Under this legislation, each month municipalities shall notify, in writing, the superintendent of a school district in which a development plan received final approval by the municipality in the preceding month. The notice shall include, but not be limited to, the location of the development, the number and types of units to be built, and the expected construction schedule. This legislation will help school officials become aware of and help them plan for new development in their school district. This bill passed the House unanimously last session.
