MEMO

TO: All House Members

FROM: Representative Scott E. Hutchinson

SUBJECT: Co-Sponsorship Request: Stop the Tolling of I-80

DATE: February 2, 2011

The uncertainty & looming threat of another impediment to economic activity continues to haunt the northern tier of Pennsylvania as long as the toll I-80 language remains on the books.

Therefore, I will soon be introducing legislation which would definitively repeal the provisions of Title 75 relating to the conversion of Interstate 80 to a toll road. It will prohibit the Turnpike Commission and PennDOT from preparing an application, re-applying, or submitting an application to the US Department of Transportation for the conversion of Interstate 80 to become a toll road.

If you would like to join me in co-sponsoring this legislation, please contact my office at 783-8188 or email Jessica Guyer at jguyer@pahousegop.com.
