TO: All House Members
FROM: Representative Rob Kauffman
89th Legislative District
SUBJECT: Joint Resolution – Legislative Districts (Former House Bill 604)

In the near future, I plan to re-introduce a Joint Resolution that would reduce the number of the Commonwealth's legislative districts.

Specifically, my legislation would amend the Constitution of the Commonwealth of Pennsylvania to reduce the number of legislative districts in a graduated manner. Beginning with the legislative session that commences January 2013, the legislative districts would be divided into 193 representative districts. Thereafter, the reduction in districts would occur as follows: January 2023 – 183 representative districts; January 2033 – 173 representative districts; January 2043 – 163 representative districts; and January 2053 – 153 representative districts.

If you would like to co-sponsor this legislation, please contact Elana Maynard at 705-2004 or via email at emaynard@pahousegop.com.

Thank you.
