Senate of Pennsylvania

MEMORANDUM

TO: All Senators

FROM: Senator Tim Solobay 

DATE: February 15, 2011

SUBJECT: Co-Sponsorship Memo #12: Junior Achievement Month

In the near future, I intend to re-introduce HR 810 of 2009-10, a resolution I sponsored during my time in the House. This resolution will designate May 2011 as Junior Achievement Month in Pennsylvania.

As you may know, Junior Achievement is the world's largest organization with the goal of preparing students for the workforce. In Pennsylvania alone over one quarter million students (K-12) are involved in Junior Achievement during their education. With a focus of entrepreneurship, business savvy and financial literacy, Junior Achievement provides students with real-life programs to hone their skills. Participants in Junior Achievement will learn how to effectively generate and manage their wealth while learning important lessons about the value of collaboration, creativity and integrity in business.

Junior Achievement has impacted the lives of so many young people in this Commonwealth and I hope you will join me in supporting this resolution so that we may thank them for all of their tireless work for Pennsylvania's future leaders.

If you have any questions or would like to co-sponsor this legislation, please contact Rachel Moore at rmoore@pasenate.com or 7-1463.
