RE: Proposed Legislation  
School Bus Accidents

In the near future I will be introducing legislation proposing an amendment to the Public School Code of 1949.

This amendment would require that notice be given to the parent or guardian of a student involved in a school bus accident. The school district, upon written or verbal notice that the school bus was involved in an accident while students were being transported, shall, as soon as possible notify the parents and guardians of the students of the accident regardless of whether the accident is required to be reported.

If you wish to cosponsor this legislation please contact Jessica Smith at 783-1707 or via e-mail [jasmith@pahousegop.com](mailto:jasmith@pahousegop.com)

Thank you!
