FROM: Senator Timothy J. Solobay 

SUBJECT: Cosponsorship - Resolution to establish a National Firefighters' Day.

DATE: January 25, 2011

In the near future, I plan to introduce a resolution memorializing Congress to recognize the dedication and sacrifice of firefighters by establishing a National Firefighters' Day.

Firefighters perform selfless tasks quietly and often without recognition, risking their lives day after day to protect the lives and property of United States citizens. With the increased threat of terrorism, illicit drug labs, and hazardous material incidents have placed firefighters in greater dangers than ever before in the history of firefighting.

If you are interested in co-sponsoring this legislation, please contact Mary at milaherty@pasenate.com or by phone at 787-1463.

Thank you.
