

## MEMORANDUM

**To:** All House Members  
**From:** Representative Matt Bradford  
**Date:** March 3, 2011  
**Re:** Co-Sponsorship – Agriculture Day and Agriculture Week in Pennsylvania

---

In the near future, I plan to introduce a resolution designating March 15, 2011, as “Agriculture Day” and the week of March 13-19, 2011, as “Agriculture Week” in Pennsylvania.

Pennsylvanian’s leading industry is agriculture, with one in seven jobs being agriculturally-related. There are 7.7 million acres of fields and pastures in Pennsylvania, much of which are proudly tended by the Commonwealth’s 63,000 farm families. Although the production of agriculture has undergone great changes over the past century, dedicated farmers and technological advancements continue to ensure that Pennsylvania remains a worldwide leader in agricultural production. Please join me in protecting and maintaining Pennsylvania’s farmland as we honor agriculture in Pennsylvania.
