RE: Introduction of Legislation—Sportsmen's Registration Plate
DATE: February 28, 2011

In the near future, I plan on introducing legislation amending Title 75 (Vehicles), providing for sportsmen's registration plate.

Specifically, this legislation would provide for a special sportsmen's registration plate. Upon application of any person, accompanied by a fee of \$35 which shall be in addition to the annual registration fee, the department shall issue the plate for a passenger car, motor home, trailer or truck with a gross vehicle weight rating of not more than 10,000 pounds.

In addition, revenue that exceeds the general operations cost of the registration process shall be deposited with the Wildlife for Everyone Endowment Foundation to be used for conservation education programs and projects related to game species such as deer, bear, turkey and aquatic species.

If you are interested in joining me as a co-sponsor of this legislation, please contact Melissa Knepper at mknepper@pasen.gov or by phone at 787-4651.
