MEMORANDUM

TO: All House Members

FROM: Representative Dan Moul

DATE: March 7, 2011

SUBJECT: Proposed Legislation/Cyber Schools  
Prior HB 2036

---

In the near future, I plan to re-introduce legislation specifying that neither the Commonwealth nor a school district will be required to provide funding for a student attending a cyber charter school if the school district or intermediate unit in which the student resides operates or has entered into a contractual agreement with a cyber charter school. The bill also adds that a student may be charged tuition if he enrolls in a cyber charter school outside of those that are operated or contracted by the school district or intermediate unit in which he resides.

If you would like to join me in cosponsoring this legislation, please contact Suzette Beemer at [sbeemer@pahousegop.com](mailto:sbeemer@pahousegop.com).
