**Subject:** Nurses Week Resolution

---

In the near future, I plan to introduce a Senate Resolution declaring May 6-12, 2011, Nurses Week in Pennsylvania.

Annually, National Nurses Week focuses on highlighting the diverse ways in which registered nurses are working to improve health care. From bedside nursing in hospitals and long-term care facilities to the halls of research institutions, state legislatures, and Congress, the depth and breadth of the nursing profession is meeting the expanding health care needs of American society.

I urge you to join me in supporting this resolution. If you would like to co-sponsor this legislation, please contact Tracy Polovick at 787-8524 or [tpolovick@pasen.gov](mailto:tpolovick@pasen.gov)
