**RE:** Co-Sponsorship of Legislation: Ski Resort Restaurant Liquor License

---

In the near future, I am planning to introduce legislation to amend the liquor code.

My legislation would allow privately owned ski resorts, which have a minimum of six trails and an elevation of at least 400 feet, to be exempt from the quota governing the number of restaurant liquor licenses issued in a given county. Currently, hotels, golf courses, public venues, racetracks and performing arts facilities are some of the entities exempt from the quota. By exempting privately owned ski resorts from the quota, these businesses will be able to obtain a restaurant liquor license directly from the PLCB as opposed to purchasing a privately held license.

If you would like to co-sponsor this proposal, please contact Ashley Hadsall at 787-9501 or via e-mail at [ahadsall@pahousegop.com](mailto:ahadsall@pahousegop.com). Thank you.
