**Subject:** Co-Sponsorship-Bridge Naming for PFC Ronald Bakewell

When we return to session on April 4, I will introduce a bridge-naming bill in memory of PFC Ronald "Smokey" Bakewell who was killed after two months of service in Vietnam. The bridge will carry PA Turnpike Route 43 over the Monongahela River between Denbo in Centerville (Washington County) and Alicia (Fayette County).

If you would like to cosponsor this legislation, please call my office at 783-3797 or email Ed Haines at [ehaines@pahouse.net](mailto:ehaines@pahouse.net).
