MEMORANDUM

To: All House Members
From: Honorable Marc Gergely
Date: March 16, 2011
Re: Cosponsorship Memo – Elk Hunting Licenses

In the near future, I plan to reintroduce HB 2018 of 2009, which would provide for the transfer of one bull elk license by April 30, 2011, and by April 30 of each year thereafter, to a newly created Elk Tag Conservation Advisory Committee.

The Elk Tag Conservation Advisory Committee would consist of one appointment from each of the following; the majority and minority chairmen of the House Game and Fisheries Committee, the majority and minority chairmen of the Senate Game and Fisheries Committee and the Governor to the Elk Tag Conservation Advisory Committee.

This legislation would provide for a small change to the process for awarding this bull elk license and would help increase the visibility and prestige of this special license. The legislation is intended to raise additional revenue to support, educate, and promote many of the Commonwealth's natural resources and activities.

If you would like to cosponsor this measure, please contact Anne-Marie at 717-783-1018 or aatticks@pahouse.net.
