TO: All Senators
FROM: *LB* Senator Lisa Baker
RE: Emergency Medical Services Week
DATE: April 7, 2011

I invite you to co-sponsor a resolution declaring May 15 through 21 as "Emergency Medical Services Week" and May 18 as "Emergency Medical Services for Children Day" in Pennsylvania.

Access to rapid, high-quality emergency care dramatically improves the survival and recovery rate of those who are suddenly taken ill or seriously injured. This resolution will honor the vast network of everyday heroes in our EMS system, including emergency physicians and nurses, rescue personnel, paramedics, emergency medical technicians, air medical personnel, first responders, ambulance attendants, firefighters, police officers, educators, dispatchers, and more.

If you are interested in co-sponsoring this resolution, please contact Liz Clancy at lclancy@psen.gov or by phone at 787-7428. Thank you.
