Subject: *Fishing License Flexibility Legislation - Updated*

In the near future, we plan to introduce legislation that would amend Title 30 (Fish) to give the Fish and Boat Commission the authority to undertake the following license and permit options:

1. Multi-year licenses and permits – This would allow the Commission to issue multi-year licenses.
2. Group licenses and permits – This would allow the Commission to issue a license to cover a group of individuals who meet criteria established by the Commission.
3. Promotional Discounts – This would allow the Commission to issue a license or permit for marketing or promotional purposes at a cost less than the fee currently set in Title 30.
