Re: Legislation Co-Sponsorship Request

Shortly I plan to introduce legislation that will put Pennsylvania restaurants on the forefront in the wine industry. By allowing the PLCB to increase the wine volume to a half keg, facilities in Pennsylvania will be able to serve wine on tap as they do with beer. This has been a success in the state which has allowed it, and it would help promote the wine industry, including the Pennsylvania wine industry.

If you would like to join me as a co-sponsor, please contact John McDermott at 783-8098 or via e-mail, jmcdermo@pahouse.net
