MEMORANDUM

TO: All Senators

FROM: Senator Tim Solobay 

DATE: June 23, 2011

SUBJECT: Co-Sponsorship Memo #42: Municipal Electric Suppliers

In the near future, I plan to reintroduce House Bill 1474 of the 2009-2010 legislative session. I originally introduced this during my time in the House of Representatives.

This legislation would amend Title 66 (Public Utilities), specifically the definition of "public utilities". Under this, municipal authorities that supply electricity to the residents of municipalities would now be defined as public utilities.

If you have any questions or would like to co-sponsor this legislation, please contact my office at 7-1463.
