SUBJECT: Co-sponsorship Memo

I intend to introduce legislation providing for commingling of funds held in trust by contractors.

This legislation would provide that funds paid under a contract by an owner to a contractor for work done or materials furnished or both for or about a building by a subcontractor be held in trust by the contractor as trustee for the subcontractors who did work or furnished materials or both for or about the building. The funds held in trust shall be for the purposes of paying subcontractors who did work or furnished materials or both for or about the building.

If you would like to co-sponsor this legislation please contact Sherry Hess in my office at 705-7036 or shess@pasenate.com.
